<td>a. Public Hearing: draft Computer Use and Internet Safety Policy – since the policy was last reviewed in 2017, there have been additional filters to the wireless internet. Schumm noted that the library is fully compliant with the Federal Children’s Internet Protection Act (CIPA), meaning potential eligibility for the FCC’s E-rate funding. This funding would be more necessary in the event of districting when the library might not be getting its internet service through the City. Teter asked for an explanation of E-rate. Schumm clarified that it is a government subsidy for hardware, fiber, etc. - up to 90% discount for those who qualify, many schools take advantage of it. This year, it didn’t appear advantageous considering the low rates already obtained through the City. O’Shea asked about the City’s charge for internet and Aimee replied that it is a minimal charge determined by bandwidth. Schumm noted that in a district scenario, she might research the possibility of “piggybacking” off BVSD – partnerships are encouraged with E-rate. Staff welcomed commission questions.</td>

- P. 7 at the bottom – Koenig asked for clarification about the juveniles without a library card getting a guest pass to use the computers – does a guardian supervise? Aimee said that is recommended if there is a need but not enforced.  
- Schumm explained that the filter is set on server level through Cisco, based on categories reviewed by the leadership team (e.g., dark web, pornography). Teter suggested an additional line “if you want more information about the kinds of sites the library filters, contact…” to direct those who are curious about the filter categories. O’Shea asked about filter levels through ConnectBoulder and the actual library computers. Schumm: these are filtered to the same degree. She would like to have filtering be controlled at the patron station as opposed to needing to submit IT HelpDesk ticket. A patron can only log into a PC appropriate for their age (determined by “patron type” in the library card code).  
- En Español links: Gomez asked about the source of the “terrible” translation she found through following website link, volunteering herself to edit grammar. Phares noted that there are translators used
Agenda Item 5: Library Commission Update

a. Items from Commission

i. Discuss agenda for the March 9, 2019 Library Commission Retreat

- Teter suggested some agenda and business items by email (see handouts): 1)suggestion for discussion from CAO addressing boundaries that commissioners should keep in mind when working on the funding campaign, 2)discussion of whether there are any active projects that would be impacted by a shift to a library district (and what those impacts might be), and 3)library’s strengths and weaknesses among different user groups within the patron base and the broader community. Phares drafted a version of the retreat agenda for review. See handouts. Teter clarified that item 7 was meant to refer to any positive or negative impacts to active projects, not “shift in priorities” Gomez asked whether staff feedback will be received for item 8; Phares replied yes. Would you have proposals? Reply: no, just identifying the strengths and weaknesses. Resolving weaknesses could be a later session. Gomez has a suggestion to add issue of “public input,” format of public comment so that all commissioners are on the same page with this piece that may become more routine with the upcoming projects. Phares noted that in the past, there has been a 3-minute allowance whereby secretary keeps the time and interrupts the public as needed. Previously, the chair has said that commission can choose or not to address the item later in the meeting. Often comments will pertain to the agenda. All questions and comments should be directed toward the commission. Teter noted the balance of engaging people and having a meaningful conversation. She recommended not having a commission meeting be the first time that the public is viewing something. She invited any further feedback by email.

ii. Commissioner update on outreach to stakeholders – summarized in the commission memo by Teter (see packet).

iii. Community education activities – Plan A/Plan B discussion
Staff’s ideas about what should be on the A/B list and how to better personalize these statistics (stories, anecdotes, pictures) to make these relatively abstract concepts real for community members. Teter noted connection to previous discussion of strengths and weaknesses; this as a “city library product” that would be on the funding webpage (potentially also “fodder for the campaign.”) Phares indicated her intention to add an item on security at all facilities to an updated draft – Teter suggested including in March packet. Although planning for additional security at the eventual NoBo branch, Phares noted that the branches don’t currently have security – their issues are similar but much more infrequent. Farnan stated that Carnegie doesn’t have a need for additional security presence. Gomez highlighted discussion of a mobile unit (bookmobile). Teter noted that in the event of a ballot measure by petition whereby county commissioners do a resolution, funding would be specified – in that context, this list will be an important piece.

iv. Retreat Planning
b. Boulder Library Foundation update – Teter reported that tomorrow’s meeting will continue funding request discussion. O’Shea noted ongoing effort to develop fundraising plan alongside marketing plan. Year-end letter was a success, garnering donations of ~$18,000 so far. Sykes Wilson will be taking over O’Shea’s spot on BLF. Gomez asked if Teter is planning to stay on BLF; she replied that it is unlikely due to concentration on the upcoming campaign. Gomez queried whether a capital campaign for NoBo branch will be at cross purposes with the districting campaign; O’Shea explained that there is still some “TBD” on this integration. Teter suggested that Gomez and Koenig discuss taking on the other commission representative seat. Last meeting saw an approved RFP for the website designer; 2 responses being considered in tomorrow’s meeting. Leslie Blaser has taken on the position of administrative support as BLF staff.

c. City project representative update
i. EcoDistricts
ii. Civic Area East Bookend
iii. Alpine Balsam – Gomez noted 2/28 meeting.
Gomez noted the August REFORMA meeting planned at the library; she will reach out to Seaton to reserve the space.

d. Responses to patron emails from the Library Commission – in the packet.

Agenda Item 6: Library and Arts Director’s Report
a. Report on outcome of City Council retreat
b. Update on library polling project – Teter requested Monday’s meeting notes to be included in March packet for tracking. Two council members recommended more time to be comfortable with the questions and to receive comments. Phone survey projected now for late March or early April with the online version running concurrently.

c. Revised commission meeting plan – Phares will send out this week.

d. 2019 budget increases and branch program goals – Koenig questioned the dropped patronage at GRB and Farnan replied that he would like to drill down a bit deeper to figure out the numbers. There is an aging of the population that frequents GRB.

e. User map expanded area/city
Farnan noted that he is comfortable with the numbers indicating patron base outside the city. Main argument is matching funding base with patron base. Teter noted upcoming Valentine’s Day meeting with Kim Seter.

Agenda Item 7: Adjournment
Farman invited any suggestions to help recruit library commission applicants. There being no further business to come before the commission at this time, the meeting was adjourned.
Date, time, and location of next meeting:
The next Library Commission meeting will be at 6 p.m. on Wednesday, April 3, 2019, at the Meadows Branch Library, 4800 Baseline Road, Boulder, CO 80303.

Commissioner O'Shea approved these minutes on April 3, 2019; and Celia Seaton attested to it.
