MEMO -- *DRAFT*

February 6, 2020

Dear Councilors,

Thank you for putting library funding in your study session agenda for this coming Tuesday, February 11. As you know, since publishing our foreword to the library's 2018 Master Plan, we have been advocating for creating a library district as a coherent solution to our institution's long-term sustainable funding and as a means to relieve the general city budget.

Please carefully consider creating a district by resolution this spring. This will allow Council and the County Commissioners time to appoint an interim trustee group so that all three parties can negotiate an Intergovernmental Agreement. The IGA would create a structure for the district and thus would give voters in November more information on which to base their decisions.

We look forward to more discussions with you individually in the coming weeks.

Respectfully,

Tim O'Shea, Chair
Juana Gómez, Vice-Chair
Joel Koenig
Jane Sykes Wilson
Steven Frost

Hello, Commissioners,

Joni has some meeting set up for which she would love some company (see below). I am joining her on the 28th for Dan Corson.

Would anyone else be able to join her this Friday the 17th or Tuesday the 4th?

Juana
