

Arapahoe Ramp Display Area

1001 Arapahoe Avenue
(enter south wing near Arapahoe)
Boulder, CO 80302

Display areas in the Arapahoe Ramp include three large platforms covered in white laminate and approximately 50 running feet of wall installation space with a track hanging system installed at ceiling height for displaying 2D work.

The display area is accessed by entering the main library at the south entrance off of Arapahoe and walking to the western wall of the first floor. Turning right after passing the rotunda stairs, walk up the blue incline and continue to the Arapahoe Ramp. Continuing north along this hallway, allows access to the Children's department, Seeds Cafe on the library bridge and the north wing including the Canyon Gallery and Theater.

Track hanging system (wires and hooks) are provided by the library. Some 3D display accessories are available.
